Dear Permitting & Mapping Staff:

Re: T-4 Permit Number: #55555
Operator Name: XYZ Pipeline Company
P5 Number: #999999

Please find attached Form T4B and Overview Map. Please note the following:

OC- XYZ Pipeline has acquired the entirety of permit 55555 from ABC Pipeline Company. The permit is for 118.0 miles of the Jones gathering system in A, B and C counties.

XYZ intends to keep the permit active for this system. No additional lines have been added or removed.

[Note any other changes that may have occurred, such as a change in purpose (gathering/transmission), classification (Utility/Common Carrier/Private), commodity ownership (own gas/owned by others/transported for a fee), or any other noteworthy change that needs to be brought to our attention. Mapping would be required for any changes to that affects the attributes of the pipeline system in TPMS.]

Please contact me at 000-000-0000 if you have questions or need additional information.

Sincerely,

John Doe
