Incentive Rates: Incentive rates are available to Shippers that execute TSAs. Carrier is willing to discuss with any potential or existing Shipper the incentive rates associated with commitments made in connection therewith. Carrier welcomes inquiries regarding potential new capacity projects based on long-term commitments for substantial volumes.

Pipeline Loss Allowance: Unless otherwise set forth in a TSA (or similar agreement) between a shipper and the carrier, an assessment of two tenths of one percent (0.2%) on net quantities so determined for acceptance by Carrier will be deducted to cover losses inherent in the transportation of Crude Petroleum.
