No gathering service will be performed under this tariff. The rate shown herein applies to trunk transportation only.

Notes:

- 1. Rates for crude oil transportation services will be charged on the net Crude Petroleum Barrel delivery quantities pursuant to Section 2, Rule 60 of the General Rules and Regulations published in Carrier's T.R.R.C. No. 1.4.0 as measured by Carrier pursuant to the General Rules and Regulations published in Carrier's T.R.R.C. No. 1.4.0, including supplements thereto and successive issues thereof.
- 2. Only with respect to movements governed by this Rates Tariff, Paragraph 3 of Section 2, Rule 20 in Carrier's T.R.R.C. No. 1.4.0 is amended and restated as follows:
- A separate assessment of two-tenths of one percent (0.20%), on net quantities so determined for acceptance by Carrier for transportation on Carrier's system, will be deducted to cover losses inherent in the transportation of Crude Petroleum.
- 3. All rates set forth above shall be increased annually, effective July 1 of each year by the positive adjustment, if any, in the FERC Index from the immediately preceding year.
- 4. This note reserved for future use.
- 5. The rate(s) to the Enterprise Midland Terminal and Plains Marketing Terminal (PMT) are available pursuant to (1) a Transportation Services Agreement with the Carrier or (2) such other agreements that would materially enhance the receipt and downstream connectivity under this rate(s).

TRUCK UNLOAD CHARGE

Shipments unloaded from tank truck facilities into Carrier's system are subject to a charge of ten and sixty-one (10.61) cents per Barrel.
