**Notes to Tables**

Note 1: The Uncommitted Shipper Rates are applicable to any Shipper that does not otherwise qualify for the Committed Shipper Rates, as described in Note 2.

Note 2: The Committed Shipper Rates are applicable to any Shipper that has an effective transportation services agreement with Carrier, wherein the Shipper has agreed to ship, or otherwise pay for, a minimum volume of crude petroleum from one of the origin points to one of the destination points in this tariff, over a three-year period.

Note 3: Once a total of 4,560,000 barrels are shipped from the origin at Dougherty Berdie Hons Hoffman Lateral Pipeline-Connected Tank Batteries, Karnes County TX, the Uncommitted Shipper Rate and Committed Shipper Rate set forth in Table One that are applicable to movements from Dougherty Berdie Hons Hoffman Lateral Pipeline-Connected Tank Batteries shall be reduced by 25.00 cents per barrel.

Note 4: The Committed Shipper Rate applicable to deliveries from the Pipeline – Connected Tank Batteries in Karnes County, TX, Live Oak County, TX and Atascosa County, TX to NuStar 100 Series Tank Farm (fka Martin Terminal) (leased by STUSCO), Corpus Christi, Nueces County, TX has been temporarily decreased to encourage additional deliveries by shippers. This decreased rate is only available for a limited period and may be increased up to its previous level of [U] 170.52 cents per barrel or above by Pipeline Operator prior to the beginning of any shipment Month.

**Arrowhead Tariff No. 2.19  
(Cancels Arrowhead Tariff No. 2.18)**

Note 5: [N] Any shipper that ships greater than 3,000 barrels per day, on an average basis, during a calendar month from the Falls City Truck Offload Terminal or the Karnes City Truck Offload Terminal, Karnes County, Texas to NuStar 100 Series Tank Farm (fka Martin Terminal) (leased by STUSCO), Corpus Christi, Nueces County, TX (“Qualifying Shipper”) will qualify for the following temporary volume incentive rate. Instead of being assessed the applicable rate set forth in Table One and Table Three, a Qualifying Shipper shall be assessed a temporary volume incentive rate of 65.00 cents per barrel for movements from Falls City Truck Offload Terminal or Karnes City Truck Offload Terminal to NuStar 100 Series Tank Farm (fka Martin Terminal) (leased by STUSCO). Carrier notes that the temporary volume incentive rate set forth in this Note 5 shall be available only for a limited period and may be cancelled by Carrier at any time. [C] The Committed Shipper Rate applicable to movements from Karnes City Truck Offload Terminal, Karnes County, TX to NuStar 100 Series Tank Farm (fka Martin Terminal) (leased by STUSCO), Corpus Christi, Nueces County, TX has been temporarily decreased by three cents per barrel from the rate stated in the above Table One to encourage additional deliveries by shippers. This decreased rate is only available for a limited period and may be increased up to its previous level of 141.23 cents per barrel or above by Pipeline Operator prior to the beginning of any shipment Month.

Note 6: The Volume Commitment Incentive Rate is available to any shipper that is willing to make a volume commitment for movements from the listed Origins to the listed Destinations.

UNLOADING CHARGE: All shipments unloaded by tank truck into the mainline facilities under this Arrowhead Tariff No. ~~[W] 2.19 2.18~~ will be subject to a charge of eight cents ~~[U]~~ eight cents (\$0.08) per barrel in addition to the transportation rates named herein.
