Item No. 100 – Incentive Programs and Negotiated Rates

Carrier reserves the right, but does not have the obligation, to enter into negotiated rates, terms and conditions with Shipper. Such rates, terms and conditions may be determined by, but are not limited to, such factors as rate, duration, volumes, points of origin, points of delivery, available capacity, minimum quantities, creditworthiness, settlement of disputes, and ship or pay commitments. Any agreement reached between the Carrier and Shipper will be contained in an executed agreement and will not be included as part of the Rate Sheet herein.
