NOTES APPLICABLE TO TABLES OF RATES

"TBD," as used in this tariff, shall mean to be determined by contractual agreements based on market conditions and circumstances existing at the time of agreement.

Exception to the Rules and Regulations Tariff:

[W] Rule 9: In lieu of the pipeline loss allowance set forth in Rule 9 of the Rules and Regulations Tariff, the following loss allowance shall apply to movements under the rates set forth herein:

- a. For Crude Petroleum transported under Rate A Transportation, there will be a loss allowance of one-tenth of one percent (0.1%).
- b. For Crude Petroleum transported under Rate B Transportation, there will be a loss allowance of two-tenths of one percent (0.2%).

For Crude Petroleum transported under the Gathering Rates set forth herein, any gains and losses will be apportioned to Shippers on a monthly basis in proportion to each Shipper's movements on the pipeline during the calendar month.

Explanation of Reference Marks:

- [U] Unchanged rate
[W] Change in wording only
[I] Increase
